

We Honor God by Taking Him
at His
Living Word

God has given us a blessing in the written Word, His Word, which provides us the wisdom and guidance that we need for our lives. God has also provided us Jesus, the embodiment of His Word to us in the flesh. As we learn how Jesus lived and interacted with others and served, we find ourselves seeing the way we too should live. We focus on the whole of God's Word and desire to follow the teachings of the Bible.
